1 Abstract

2 Define Energy Function

2.1

- Construct the Unary Energy
- Define the Pairwise Energy
- Define the Energy Function

2.2

- Cut the graph into blocks
- Define the distance of two blocks

3 Minimize Energy Algorithms

3.1 ICM

- ICM Pipeline
- Draw-Result

3.2 TRW-S

- TRW-S TRW-S Pipeline
- Draw-Result
